

1) Dr Hemlata Bagla

Number of students completed M. Sc. By research - 15

Number of students pursuing MSc by research currently - 0

Number of students completed PhD - 05

Number of students pursuing Ph. D. - 07

Field of interest - Nuclear and Radiochemistry

Number of papers published - Total publications - *35* full research papers in refereed journals

10 articles in NASA ADS

19 articles in books with ISSN/ISBN no.

20 articles in IAEA INIS

2 book chapters

Total national and international projects - *11*

2) Dr Vijay Dabholkar

Number of students completed M. Sc. By research *-11*

Number of students pursuing MSc by research currently *- Nil*

Number of students completed PhD *-25*

Number of students pursuing Ph. D. *- 03*

Field of interest - *Synthetic Organic Chemistry, Green Chemistry, Catalysis, Medicinal Chemistry*

Number of papers published *-97*

3) Dr Sunetra Chaudhari

•Number of students completed M. Sc. By research -01

•Number of students pursuing MSc by research currently -01

•Number of students completed PhD -Nil

•Number of students pursuing Ph. D. -01

•Field of interest -Nano Chemistry, Polymer Chemistry, Solvent Extraction

•Number of papers published -

01 National level,

05 International level,

Total 06.

4) Dr Satish Kolte

Number of students completed M. Sc. By research 01

Number of students pursuing M. Sc by research 02

Number of students pursuing Ph. D. 02

Field of interest analytical Chemistry and Natural products.

Number of papers published by these students 04

5) Dr Rajesh Samant

Number of students completed M. Sc. By research - NIL

Number of students pursuing MSc by research currently - NIL

Number of students completed PhD - ONE (THESIS SUBMITTED IN DEC 2020 VIVA AWAITED)

Number of students pursuing Ph. D. - TWO

Field of interest - ELECTRO CHEMISTRY AND ENVIRONMENTAL CHEMISTRY

Number of papers published - BY Ph D student 05, (TOTAL 16)

6) Dr Yogita Shinde

Number of students completed M. Sc. By research - nil

Number of students pursuing MSc by research currently - nil

Number of students completed PhD -nil

Number of students pursuing Ph. D. - 01

Field of interest -natural plant products ,medicinal chem,food chemistry

Number of papers published -07
