FELICITATION CEREMONY

**Certificate Program for Commerce and Arts Batch VII and
Jigyasa – Science Honours Program Batch XVI**

‘Research is to see what everybody else has seen, and to think what nobody else has thought.’

- *Albert Szent-Györgyi*

HSNC University, K. C. College under the aegis of DBT Star Status and Star Scheme organized the felicitation ceremony for the students of Certificate Course for Commerce and Arts Batch VII and Jigyasa – Science Honours Program Batch XVI on 22nd December 2021 online on Zoom platform. Dr. Uma Narain, Independent Consultant to Vice Chancellors, Liberal Arts Education and Implementation of New Education Policy was the guest of honour for the momentous occasion. The event was attended by more than 90 participants, including Dr. Hemlata K. Bagla, Principle, K.C.College and Vice Chancellor, HSNC University, mentor teachers and students of SHP Batch XVI, XVII and XVIII, and CPCA Batch VII and VIII.

The felicitation ceremony was inaugurated by Dr. Shalini Sinha, Vice Principle K.C.College and Convener, CPCA and Dr. Sagarika Damle, HOD, Dept. Life Sciences, K. C. College and Coordinator, DBT Star Status who explained the concept of CPCA and Jigyasa – SHP and gave a brief overview of the events and activities organized under it for students of the CPCA batch VII and SHP batch XVI. This was followed by feedback from students of the felicitation batch of CPCA and SHP, where the students unanimously agreed to this unique undergraduate research opportunity being a path defining journey in their learning experience. Dr. Hemlata K. Bagla, Principle, K. C. College and Vice Chancellor, HSNC University delivered her special address in which she applauded the student's efforts and commended the excellent guidance of the teacher mentors for the successful completion of CPCA batch VII and SHP batch XVI against all odds

that occurred due to the pandemic. Dr. Bagla along with guest of honour Dr. Uma Narain released 'JIGYAASA', volume XVI, an in-house interdisciplinary research journal of K. C. College following which all the participating students of CPCA batch VII and SHP batch XVI were congratulated and their names were announced.

Taking forward the event, guest of honour Dr. Uma Narain was invited to deliver her address. Dr. Narain highlighted how research is an integral part of undergraduate studies which leads to the development of an individual who can find answers that are nearer to the truth and can apply his or her analytical mind to turn information into knowledge and knowledge into wisdom, thus contributing to democracy and nation building. Dr. Narain congratulated K.C. College and HSNC University for starting a program ahead of its time and explained to the audience the New Education Policy that aims to promote high quality research in universities that are for the greater good of society and ended her address with a note on the importance of multidisciplinary research by explaining how in the land of diversity, a diverse and all inclusive research culture will lead to complete, correct and balanced answers to the queries and problems society faces today.

Further, students expressed their gratitude for the invaluable guidance of multiple mentors and teachers of CPCA and Jigyasa SHP that played the key role in their undergraduate research journey. This was followed by the result declaration and felicitation of winners and participants of CPCA batch VII and SHP batch XVI. The awards were presented in various categories such as best research, best presentation, best student, best volunteers with a total of 11 CPCA and 12 SHP students bagging awards after thorough and comprehensive assessment. Congratulations for all the students of CPCA batch VII and SHP batch XVI poured in from the audience in the chat-box and the event was concluded by a heartfelt vote of thanks.

As the guest of honour, Dr. Uma Narain explained in her address, research helps society at the most fundamental level by developing a scientific temperament in the researcher, which leads to the creation of a better human being. Research imparts the spirit of enquiry, instills conceptual clarity and critical thinking in a researcher ultimately helping individuals in becoming better family members and participants of democracy. In a world that is becoming increasingly complex and ambiguous, research is a basic life skill, much like empathy, that will help today's youth in navigating their path understanding and differentiating right from wrong. The journey of CPCA batch VII and SHP batch XVI students doesn't come to an end at the felicitation ceremony, they join forces with the 700 alumni of this unique undergraduate research program in their vision of creating a better world for all and students of CPCA batch VIII and SHP batch XVII and XVIII have already stepped into the shoes of their predecessors.

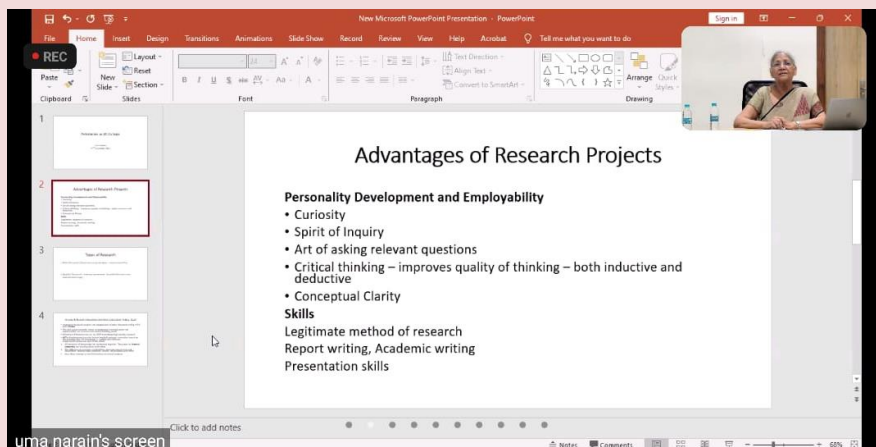

RESULTS OF CPCA BATCH VII

Category	Title	Student	Mentor
Best Research Paper	Perils of Indian Banking Frauds	Navya Menon & Pranav Khandelwal	Dr. Nandini Sengupta
Best Research Paper Runner – Up	Relationship between Parent-Peer Attachment and Resilience in Undergraduate Students	Urvashii Thosar & Tanvi Vadke	Dr. Pooja Soni
