Programme Vision

The MA Economics course of HSNCU is designed to enhance knowledge and skill in the field. While designing the curriculum, a well- balanced approach has been taken for all papers so as to provide a clear understanding of the subject to the learners.

The course will help the students to develop requisite skills in areas which have direct bearing on future employment prospects and meet the requirements of business, corporate sector, public services and other professional jobs.

Programme Objectives

The objectives of the course are:

1. To provide a sound understanding in microeconomic and macroeconomic theories.
2. To introduce diverse concepts related to economic growth and development by giving special emphasis to structural issues related to the process of development.
3. To encourage the students to critically analyse the current Indian economic issues.
4. To familiarise with the composition, direction and consequences of international trade.
5. To acquaint students with the concepts of industrial economics.
6. To enable students to understand various environmental problems and policies.
7. To think analytically and critically using logical reasoning and to relate to legal aspects.
8. To encourage self-learning through online component (SWAYAM)

About HSNCU

The Hyderabad (Sind) National Collegiate (HSNC) Board is one of the most prominent education Boards of Maharashtra that has set up 17 educational institutions in and around Mumbai. In the year 2019, the HSNC Board completed 70 years of its educational journey and finally achieved the dream of its Founding Fathers - the establishment of a new State Cluster University - the Hyderabad Sind National Collegiate University (HSNC University).

The HSNC University has been approved by RUSA and the Government of Maharashtra and is the Second State Cluster University to be set up in the State, with the Hon. Governor of Maharashtra as its Chancellor and eminent industrialist, Dr Niranjana Hiranandani as its First Provost. The HSNC University comprises renowned South Mumbai colleges like H.R.College of Commerce & Economics as its Lead college and K.C.College of Arts, Science and Commerce and Bombay Teachers' Training College as its constituent colleges.

This multi-faculty University aims to set new paradigms of education. It wishes to harness the energy and enthusiasm of the young, dynamic population of India and guide it towards the path of learning and success.

Eligibility Criteria

A candidate for being eligible for admission to the course leading to the degree of Master of Arts must have passed the examination for the degree of Bachelor of Arts (three year integrated course) of this University or a degree of another University recognized as equivalent thereto.

Applications of graduates of this University in faculties other than the faculty of Arts, or those who have passed the equivalent examination of another recognized University seeking admission to the M.A. degree course by papers, will be considered by the Academic Council on the merits of each individual case.
