HSNC University, Mumbai
PG Admission Process

01 Check you eligibility
- Visit website and confirm eligibility for admission as per published list.
- You will receive a new OTP by email with the same Application ID along with a link to a new portal.

02 Login
- Using the same application ID and the OTP you will be asked to set new password for your login in the new portal.
- Sign in using the new password

03 Upload Documents
- Upload the requisite documents for verification.
- The documents already submitted in the registration process will be visible and need not be uploaded again.
- Format of file = PDF

04 Document verification
- The uploaded documents will be verified from our end.
- After document scrutiny an email and sms will be sent to you regarding the status of your verification.
- This process may take some time.

05 Accounts Approval
- After successful document approval correct fees will be assigned to you.
- An email and sms containing further instructions and the link to pay the fees online will be sent to you.

06 Payment of Addmission Fees
- Select your mode of payment and pay the fees online.
- Amount to be paid will be reflected at the payment page.
- Receipt of payment will be sent by email.
