"The world will not be destroyed by those who do evil, but by those who watch them without doing anything" ~ Albert Einstein.

We at HSNCU have heard the blaring Code Red bells being rung by the UN. The sufferings of mother nature have been unbearable and prolonged, and are now redirected to us.

It's time to unite to change the Code Red back to Code Green. We invite each of you to come join us in our mission, join us to save the world, join us to save the environment, join us to save the birds and animals, join us to save us!!
