About HSNC University, Mumbai

HSNC University, Mumbai, is constituted as a cluster university since 2019, comprising HR College of Commerce and Economics as the lead college and Kishinchand Chellaram College and Bombay Teachers' Training College, as the constituent colleges with H(S)NC Board as its parent body.

K. C. College, H. R. College and Bombay Teachers' Training College, 'A' Grade Colleges as per NAAC accreditation, located strategically in South Mumbai, are eminent institutions of the H(S)NC Board, with national and global recognition. They are today acknowledged as role models to other institutions of the Board and the University of Mumbai, by virtue of their innovative academic, cultural, research, and outreach programmes.

The three colleges have stood up to the challenges of keeping their curriculum dynamic by consistently introducing comprehensive approaches to teaching, learning and research. Their industry-academia interface and liaising with international universities has enabled their students to benefit from the experiential learning which is the USP of KC, HR and BTTC.

The HSNC University, Mumbai, which is being built on the strongest credentials of its three constituent Colleges, will continue to hold the baton of excellence high, and move in the direction of seeing loftier standards in the national and international higher education scenario.

HSNC University: Where excellence is the only compelling option!

About K. C. College

Kishinchand Chellaram (KC) College was established in 1954, under the aegis of the Hyderabad (Sind) National Collegiate Board. The college has been re-accredited with an 'A' grade by NAAC in three consecutive cycles. The college was adjudged as the Best College (Urban Area) by the University of Mumbai in 2015 and the institution has created a benchmark in the field of education.

All the Departments of Sciences of the college have been conferred with the highly prestigious Star Status and Star Scheme Grants by Department of Biotechnology, Government of India.

The college has a very impressive list of companies where the students have been placed. KC College is recognized as one of the finest colleges in South Mumbai, which lays great emphasis on the holistic development of its students.

About Department of Statistics

Department of Statistics are planned by keeping in mind the importance of research aptitude in the dynamic world of Education. Statistics, a subject which offers immense and varied employment opportunities was first offered as a major subject at the B.Sc. level in 1958, K. C. College was amongst the first colleges of University of Mumbai to do so and M.Sc. was started in academic year 2018. The Department is committed to enhancing knowledge and promoting research. The faculty have published several research papers in noteworthy journals, organized various seminars for faculty and students. The Department was part of Star-DBT Scheme awarded to the College. Under this scheme, a computer laboratory for students had been set up and infrastructure was upgraded. Number of workshops, conference, seminars, invited talks and students activities were conducted for faculty and students time to time. Our graduates are placed in organizations all over the world.

About National Statistics Day

In recognition of the notable contribution made by Prof. Prasanta Chandra Mahalanobis in the fields of economic planning and statistical development in the post independent era, the Govt. of India has decided to designate 29th June every year, coinciding with his birth anniversary, as Statistics Day in the category of special day to be celebrated at the national level.
