### TIME-TABLE

### INTERIM TEST, FEBRUARY 2024

### T.Y.B.Sc. Semester VI

| Date                       | Day       | Time                 | Paper Name   | Marks |
|----------------------------|-----------|----------------------|--|-------|
| 21 <sup>st</sup> Feb, 2024 | Wednesday | 10.00 am to 10.20 am | Chemistry: Physical Chemistry  | 15    |
|                            |           |                      | Life Science: Genetics and Immunology -II  | 15    |
|                            |           |                      | Statistics: Distribution Theory Stochastic Process   | 15    |
|                            |           |                      | Microbiology: R-DNA Technology Bioinformatics & Virology   | 15    |
|                            |           |                      | Physics: Electronics III   | 15    |
|                            |           |                      | Mathematics: Complex Analysis  | 15    |
| 21 <sup>st</sup> Feb, 2024 | Wednesday | 11.00 am to 11.20 am | Chemistry: Inorganic Chemistry   | 15    |
|                            |           |                      | Life Science: Developmental Biology and Neurobiology-II  | 15    |
|                            |           |                      | Statistics: Testing of Hypothesis  | 15    |
|                            |           |                      | Microbiology: Medical Microbiology and Immunology-II   | 15    |
|                            |           |                      | Physics: Statistical Mechanics   | 15    |
|                            |           |                      | Mathematics: Modern Algebra II   | 15    |
| 22 <sup>nd</sup> Feb, 2024 | Thursday  | 10.00 am to 10.20 am | Chemistry: Organic Chemistry   | 15    |
|                            |           |                      | Biochemistry: Nutrition, Dietics, Metabolic Disorders and Bioinformatics   | 15    |
|                            |           |                      | Statistics: Multivariate Techniques  | 15    |
|                            |           |                      | Microbiology: Microbial Biochemistry: Part-II  | 15    |
|                            |           |                      | Physics: Quantum Mechanics   | 15    |
|                            |           |                      | Mathematics: Topology of Metric Spaces II  | 15    |
| 22 <sup>nd</sup> Feb, 2024 | Thursday  | 11.00 am to 11.20 am | Chemistry: Analytical Chemistry  | 15    |
|                            |           |                      | Biochemistry: General Pharmacology, Pharmacokinetics, Pharmacodynamics and Quality management in Pharmaceuticals | 15    |
|                            |           |                      | Statistics: Actuarial Science  | 15    |
|                            |           |                      | Microbiology: Bioprocess Technology- II  | 15    |
|                            |           |                      | Physics: Programming Language -Python compulsory Elective course II  | 15    |
|                            |           |                      | Mathematics: Number Theory II  | 15    |
| 23 <sup>rd</sup> Feb, 2024 | Friday    | 10.00 am to 10.20 am | Chemistry: Drugs and dyes  | 15    |
|                            |           |                      | Life Science: Applied Component Environmental management   | 15    |
|                            |           |                      | Statistics: Advance Operations Research Techniques   | 15    |
|                            |           |                      | Microbiology: Applied Component, Applications of Biotechnology   | 15    |
|                            |           |                      | Physics: Applied Component, Material Science-II  | 15    |
|                            |           |                      | Mathematics: Financial Mathematics-II  | 15    |

#### Note:

1. The exam will be held online, the link will be sent to students 30 minutes before commencement of examination.
2. As per HSNC University guidelines each paper will be of 15 marks consisting of 15 MCQs. Each MCQ will be of 1 mark.
3. Please ensure that your devices have good cameras since this will be a video proctored exam.
4. Please ensure that while attempting the exam you are in an area with good network coverage to avoid technical issues.
