ABOUT HSNC UNIVERSITY, MUMBAI

The HSNC University Mumbai is a State Public University approved by RUSA and the Government of Maharashtra under sub-section (6) of Section 3 of the Maharashtra Public Universities Act, 2016 (Mah. VI of 2017). It was constituted through Government Notification No. RUSAYO-2019/CR-186/UE-3 dated October 30, 2019. The parent body of the University is the Hyderabad (Sind) National Collegiate Board (H(S)NC Board). The Hon'ble Governor of Maharashtra is the Chancellor of the University. Eminent industrialist Dr. Niranjan Hiranandani was the University's first Provost until March 2025, and Mr. Anil Harish, a renowned lawyer, is the current Provost. The University comprises a cluster of prestigious South Mumbai colleges, with H.R. College of Commerce & Economics as the lead college, along with Kishinchand Chellaram College and Bombay Teachers' Training College as its constituent institutions, all accredited with an 'A' grade by NAAC. HSNC University has also established several new schools, including the Niranjan Hiranandani School of Management and Real Estate, D.M. Harish School of Law, Chellaram School of Yoga, School of Applied Sciences, School of Performing Arts, and the School of Technology. The University aims to redefine higher education by aligning its curriculum with Industry 4.0 and strengthening partnerships with leading industries to enhance academic and professional exposure. It emphasizes experiential learning through internships, placements, and industry collaborations and is committed to fostering innovation, research, and entrepreneurship. With its forward-looking vision and strong legacy of excellence, HSNC University is poised to make a lasting impact on the higher education landscape.

ABOUT K.C. COLLEGE

Established in 1954 by visionaries Vidyasagar Late Principal K.M. Kundnani and Barrister Hotchand Advani, Kishinchand Chellaram College is one of Mumbai's most prestigious institutions and the second to be founded under the Hyderabad (Sind) National Collegiate Board. With its forward-thinking ethos and commitment to academic excellence, the College has consistently introduced innovative programs catering to evolving educational and societal needs. As a proud constituent of HSNC University, formed under the RUSA 2.0 initiative, K.C. College enjoys academic autonomy and fosters interdisciplinary learning, research, and critical thinking. From its modest beginnings , the College has grown into a thriving campus of over thousands of learners. Known for academic brilliance, top university ranks, global alumni, and vibrant extracurricular engagement, K.C. College continues to shape future-ready, responsible individuals grounded in values and driven by purpose.

ABOUT INFORMATION TECHNOLOGY DEPARTMENT

The Department of Information Technology, K.C. college was established in the year 2001. It is a dynamic space where learning extends beyond classrooms and problem-solving becomes a way of thinking. The department nurtures curiosity, creativity, and resilience, encouraging students to view challenges as opportunities for innovation. Through continuous learning, collaboration, and practical engagement, it shapes confident minds capable of transforming ideas into meaningful solutions, preparing future innovators for a rapidly evolving technological world. By fostering interdisciplinary thinking and a culture of innovation, the department empowers learners to address real-world challenges with purpose and responsibility. It stands as a hub where ideas evolve into impactful contributions for society and the future.

ABOUT THE CONFERENCE

The International Conference on Interdisciplinary Research, Innovation and Sustainable Development (IRISD 2026) aims to provide a global platform for academicians, researchers, industry professionals, and students to share knowledge and present original research. The conference focuses on addressing contemporary challenges related to sustainable development through innovative and interdisciplinary approaches. It encourages the integration of science, technology, engineering, management, social sciences, humanities, and environmental studies to develop holistic solutions aligned with the United Nations Sustainable Development Goals (SDGs). The conference will feature keynote addresses by eminent experts, technical paper presentations, and interactive sessions that promote meaningful academic and industry collaboration. By bringing together diverse perspectives and research domains, the conference seeks to foster innovation, strengthen research networks, and inspire sustainable practices. Overall, the conference aims to contribute to social, economic, and environmental development at local, national, and global levels.

OBJECTIVES OF THE CONFERENCE

- To provide an international forum for the exchange of original research, innovative ideas, and best practices in interdisciplinary domains.
- To promote collaborative and cross-disciplinary research addressing global challenges of sustainable development in alignment with the United Nations Sustainable Development Goals (SDGs).
- To bridge academia, industry, and society by fostering meaningful interactions among researchers, professionals, policymakers, and students.
- To encourage innovation-driven solutions through the integration of science, technology, management, social sciences, and environmental studies.
- To enhance research quality, academic excellence, and publication opportunities through peer-reviewed presentations and expert guidance.
