## SCOPE 2024-2025

The S.C.O.P.E committee of K.C College has been exceptionally active and successful in various cultural and social initiatives throughout the academic year of 2023-2024. Scope, known for its philanthropic endeavours, partnered with Carmesi to raise awareness about menstrual health through an educational stall. They also organised enjoyable activities for disadvantaged children at Atria mall and visited a foundation to bring joy through snacks and games, creating memorable experiences for both the children and the SCOPE Team. On Valentine's Day, they volunteered at an old age home, sharing heartfelt stories, serving lunch, and engaging in singing and dancing sessions, which brought immense joy to the elderly residents. The 'Budding Chefs Club' this year took us on a sweet and salty adventure by first showcasing their amazing chocolate making skills and enriching our taste buds with their sweetened delectables. They then showed us their tangy side with 'Chaat Masti' a delightful food fair that featured a variety of hand crafted chaat items which were savoured by both the students and the teachers. They also put their sculptural practices to the test as on the occasion of Ganesh Chaturthi they created eco-friendly ganpatis out of daily grocery items.

This year KIRAN, K.C college's annual intercollegiate cultural fest took place on the 21st, 22nd and 23rd of December. With an amazing curtain raiser which unveiled the KIRAN Banner.... the floor also buzzed with electrifying energy as Shantanu Maheshwari along

with the cast of Campus Beats set fire to the stage. Kiran however was the real highlight for students from various colleges across Mumbai enthusiastically participating in various performing arts and non-performing art events, fostering a lively and inclusive cultural celebration with the college community. The Annual Day prize distribution brought a lot of honours to the S.C.O.P.E family where our amazing students Faiza Siddiqui, Saheir Shivkar and Tanveer Rakhange won the Award of excellence for their exemplary contribution in cultural events. The performances by the SCOPE students at the annual day function was also loved and enjoyed by everybody present and “The Aerial Dance” was the highlight of the evening leaving everyone mesmerised. S.C.O.P.E is not only acclaimed for organising various festivals and events but also for partaking and winning all of them. This year also it boasts a variety of trophies as we secured the following podiums

- Malhar (1st podium)
- Nakshatra (1st podium)
- Enigma (1st podium)
- Mystique (2nd Runner up)
- Shoutt (2nd Runner up)
- Illenium (2nd Runner up)

The Vice-Chancellor of HSNC University Prof.Hemlata Bagla and the Principal Dr. Tejashree V Shanbhag's unflinching support rendered all of this possible. The S.C.O.P.E Committee aims to accomplish more in the year that follows and encourage more students in attaining their aspirations.
