

# HSNC UNIVERSITY, MUMBAI

## A STATE PUBLIC CLUSTER UNIVERSITY

### KISHINCHAND CHELLARAM COLLEGE

### Department of Computer Science

## ADMISSIONS OPEN FOR AY 2026-2027

- B. Sc. in Computer Science - 3 years program
- B. Sc. Hons. in Computer Science- 4 years program
- B. Sc. Hons. with Research in Computer Science- 4 years program

### About HSNC University, Mumbai

Hyderabad (Sind) National Collegiate University, Mumbai—a State Public University approved by RUSA and the Government of Maharashtra—was established in 2020 with K.C. College as one of its prestigious constituent colleges. The Hon. Governor of Maharashtra is the Chancellor of the University. Under the visionary leadership of former Provost Mr. Niranjan Hiranandani, Provost Mr. Anil Harish and Vice Chancellor Prof. Hemlata K Bagla, the University has emerged as a centre of academic excellence, research, and innovation. HSNC University offers a wide range of undergraduate, postgraduate, and doctoral programmes across several disciplines. It has 24 research centres and supports a growing number of research scholars. One of the University's flagship programmes is its Harbinger Lecture Series where eminent personalities such as Nobel Laureate Kailash Satyarthi, Kiran Bedi and other dignitaries are invited. HSNCU conferred its first Hon. D. Litt upon Bharat Ratna Shri Ratan Tata, after which Padma Vibhushan Shri Raghunath Mashelkar and distinguished Union Cabinet Minister, Shri Nitin Gadkari were also similarly honored. In alignment with the National Education Policy 2020, HSNC University has adopted progressive curriculum reforms and innovative teaching practices to stay at the forefront of transformative higher education in India.

### About Kishinchand Chellaram College

Established in 1954 by visionaries Vidyasagar Late Principal K.M. Kundnani and Barrister Hotchand Advani, Kishinchand Chellaram (KC) College is one of Mumbai's most prestigious institutions and the second to be founded under the Hyderabad (Sind) National Collegiate Board. With its forward-thinking ethos and commitment to academic excellence, the College has consistently introduced innovative programs catering to evolving educational and societal needs. As a proud constituent of HSNC University, formed under the RUSA 2.0 initiative, KC College enjoys academic autonomy and fosters interdisciplinary learning, research, and critical thinking. From its modest beginnings with 570 students, the College has grown into a thriving campus of over 7,000 learners. Known for academic brilliance, top university ranks, global alumni, and vibrant extracurricular engagement, KC College continues to shape future-ready, responsible individuals grounded in values and driven by purpose.

### About Department of Computer Science

The Department of Computer Science at HSNC University, Mumbai, is a hub of innovation, learning, and technological advancement. Our curriculum is designed to equip students with strong theoretical foundations, practical skills, and an entrepreneurial mindset to thrive in the ever-evolving digital world. We offer undergraduate and postgraduate programs that cover core areas such as programming, data structures, algorithms, artificial intelligence, machine learning, data science, cybersecurity, cloud computing, and software engineering. Our programs are industry-aligned and regularly updated to reflect the latest technological trends. Students benefit from a dynamic learning environment supported by experienced faculty, state-of-the-art laboratories, hands-on projects, and internship opportunities with leading tech companies. The department also encourages research, innovation, and participation in national and international competitions, hackathons, and conferences. By fostering critical thinking, creativity, and collaboration, the Department of Computer Science prepares students to become future-ready professionals, innovators, and leaders in the technology sector.

### Programmes under Department of Computer Science

- BSc Computer Science - 3 Years
- BSc Computer Science (Hons.) & (Hons. with Research)-4 Years
- MSc Computer Science -2 Years

### Strength of Department of Computer Science

Industry Ready Curriculum

Expert Mentorship

Hands-On Experience

Research-Driven Innovation

Placement & Internship Support

Tech Industry Interaction

Tech Culture & Community

Powerful Alumni Network

### Opportunities for B.Sc. Computer Science Students

#### Career Prospects

- Software Developer
- Web Developer
- Data Scientist
- Systems Analyst
- Network Engineer
- Cybersecurity Analyst
- Database Administrator
- IT Consultant
- Game Developer
- Project Manager

#### Skill Development

- Analytical thinking
- Statistical techniques (regression, hypothesis testing)
- Data management & cleaning
- Proficiency in R, Python, SPSS, Excel
- Data visualization
- Research methodology
- Problem-solving
- Effective communication

#### Industry Partnerships

- Artelligence
- Optimum
- Mobileware
- Deloitte
- TCS
- Caggemini
- Silverlink Technologies
- And many more

### Programme Overview & Eligibility Criteria

#### B.Sc. Computer Science (As per NEP 2020 Structure – HSNC University, Mumbai)

K.C. College, a Constituent College of HSNC University, Mumbai, offers both BSc Computer Science and BSc Computer Science Honors with Specialization AI & ML programs designed under the NEP 2020 framework. These courses provide a solid grounding in the core concepts of Computer Science, integrated with practical tools and interdisciplinary learning to prepare students for careers in technology, research, and innovation.

#### Eligibility Criteria

- Successful completion of HSC (12th Grade) or equivalent examination from any recognized board.
- Candidate must have studied Mathematics till 12th Grade level.
- Admission will be based on merit as per HSNC University norms.
- For B.Sc. (Hons.) and (Hons. With Research), continuation to the fourth year is based on performance in the first three years.

#### Programme Structure

Component	B.Sc. Computer Science (3-Year)	B.Sc. Computer Science (Hons.) (4-Year)
Duration	3 Years (6 Semesters)	4 Years (8 Semesters)
Credits	~120	~160
Specialization	AI and ML	Final year with specialization AI and ML / AI and ML with research

#### Why to choose us?

01	02	03	04	05	06
<b>Computer Science with AI Excellence</b>	<b>Highly Qualified Faculty</b>	<b>Research-Oriented Environment</b>	<b>Tech-Enabled Learning</b>	<b>NEP-Compliant Curriculum</b>	<b>Student-Centric Approach</b>
Among the first colleges under the HSNC University to offer Computer Science as a major since 1999, with a specialization in AI and ML.	Majority of faculty members are MPhil & NET qualified with expertise in Programming Languages, Big Data Analytics, Security, AI, Machine Learning, Networking, Databases, Web Development	Active student involvement in Jignasa Honors Program and Avisishkar Research. Conventions promotes early research exposure.	Smart classrooms, modern computer labs, high-performance servers, and training in tools like Git, Docker, Kubernetes, Python, Power BI, MySQL, and AWS cloud platforms.	Offers both B.Sc. and B.Sc. (Hons.) in Computer Science with flexibility for interdisciplinary learning under the National Education Policy 2020.	Focused on mentoring, all-around technical growth, and preparing CS students for further studies and industry demands.

#### What will learners gain?

- Strong foundation in Core Computer Science concepts, Data Structures Algorithms
- Hands-on skills in Python, Java, C++, JavaScript, Git, and cloud platforms.
- Research skills and practical experience in AI and Machine Learning
- Development of critical thinking and problem-solving abilities
- Industry-relevant knowledge in domains like cybersecurity and web development
- Improved teamwork, collaboration, and project management skills through guided projects
- Pathway to advanced studies in Artificial Intelligence, Blockchain, Big Data Analytics and other cutting-edge fields.
- Advancing knowledge through collaborative, application-driven education.

### Notable Alumni & Testimonials

Our alumni network extends across various domains, with graduates achieving remarkable success in their respective industries. From cutting-edge technology roles to impactful leadership positions, our alumni have made significant contributions worldwide. These success stories reflect the Department of Computer Science, K.C. College's commitment to providing quality education, and opportunities.

- Mr. Ajit Vishwakarma, Corporate Master Trainer/Managing Director, VINAVAVISH
- Mr. Manash Jani, Software developer, Genius Lynx
- Ms. Pooja Borkar, Global Academy of Meta Mind Alignment (GAMMA)
- Mr. Chaitanya Debnikhar, Frontend Engineer, Razorpay Software Pvt. Ltd.
- Mr. Ashf Rameshwartha, Vice Principal, Vidyankar School of Information Technology
- Mr. Kiriti Bhatti, Visiting Faculty, KC College
- Mr. Yash Naik, SEO Analyst/Content Writer, FistBump Digital

### Department Activities

**HSTB 2024-2025**  
Tech Festival of the Department of Computer Science

One of the ultimate tech celebrations with HSTB 2024, the annual tech festival of the Department of Computer Science at KC College, showcasing innovation, creativity, and the brightest minds. HSTB 2024 is your gateway to cutting-edge technologies, inspiring competitions, and inspiring sessions as part of the feature-state-of-the-art session and keynote lecture night.

**NCC 2024**  
Intercollege Tech Festival

As a part of the inter-college competition, NCC 2024 Tech Festival was held at KC College. This event showcased the talents and innovation of students from various colleges, fostering a spirit of healthy competition and learning.

**Traditional by**  
The vibrant celebration of culture and heritage

Traditional Day at KC College fosters the spirit of diversity and unity. Students come together to celebrate their cultural roots, showcasing their talents in dance, music, and art. The event is a vibrant display of our rich cultural heritage and a platform for students to showcase their talents.

**Placement Drive 2024**

Each year, we are proud to host the Placement Drive organized by the Department of Computer Science at KC College. This drive offers students an opportunity to explore placements in leading tech companies, gain practical experience, and secure their future. Don't miss the chance to join your dream company!

**Inauguration - Science Honors Program (2024)**

The Inauguration of the Science Honors Program (2024) was held at KC College. The event was a significant milestone, marking the beginning of a new era of academic excellence. The program is designed to provide students with a rigorous and challenging curriculum, preparing them for advanced studies and research in their respective fields.

**Annual 2024**  
Intercollege Academic Society

The Department of Computer Science, KC College, proudly hosted the Annual 2024 Intercollege Academic Society. The event was a grand celebration of academic excellence, showcasing the talents and achievements of students from various colleges. The program featured a variety of activities, including seminars, workshops, and competitions, providing a platform for students to learn, grow, and connect with their peers.
